Overview:

This is one of our most popular models. It's a ranch home with center entrance. With a split bedroom layout and the ever popular open concept design. Eagle River builds a solid home that will last you many moons. Look for a ranch style lot with a size of 28 x 56 or greater. Someone will check your lost selection and make sure the home you have chosen will fit. Remember we do all the permits and full federal installation of your new home for one low price.
