Featured Benefits:

Ranch home
Shutters
Shingle roof
Vinyl siding
Block foundation
Full covered porch

Overview:

This 3 bed, 2 bath + den is located on a large well landscaped lot that includes a mature garden and pond. There are 2 storage sheds on this oversized lot for optimal storage needs. As you enter the home from the covered porch it opens to cathedral ceilings and a spacious living area. The adjacent kitchen includes a large walk-in pantry, French door refrigerator, dishwasher and double sink. The island has overhead glass front cabinets and bar top seating. Double doors lead to the den which include built in cabinets that can also be used as an additional bedroom. The split floor plan has 2 beds and bath at the front of the home and the master suite in the rear. You will find here a wall of closets, large jacuzzi tub, separate shower and large double vanity. The utility room has more storage space for an additional refrigerator or freezer plus a new washer & dryer. This home is priced to sell and a must see!
