Overview:

This 3 bed, 2 bath home has amazing views! New stainless steel appliances, new LVP flooring throughout, new roof, new brick pavers and updated landscape complete the package of this stunning property. The large eat-in kitchen includes new lighting above the island and dining area. There are built-in floor to ceiling cabinets with a separate built-in buffet for all your storage needs. The separate laundry area is equipped with a full size washer/dryer and utility sink. The master suite is large enough for a king size bed with an adjacent bath that has a spacious linen closet and double glass door walk-in shower and high rise toilet. The oversized garage has a separate work space for all those that enjoy wood working projects. This community is very well managed with extra wide streets and beautiful landscape.
