Overview:

This wide open floor plan has an open concept design. With a full laundry room that includes a stackable washer and dryer and large master bath this home lives larger than it looks. Soft close kitchen drawers and solid wood cabinetry make a wonderful kitchen package. The master bedroom features a walk in closet and, room for king sized furniture. The small details are not missed with a full pantry in the kitchen and in the utility room. Please consider this property as your next address. Skyline Homes with a full 12 month warranty package has the longest warranty in the business. The model will also feature a custom wood deck built off the rear of the home and full foundation is included. This is the first and smallest of our new models being installed in the Green Top Expansion project.
