Insulated foundation enclosure
Block foundation

Overview:

This well appointed two bedroom home is absolutely stunning. Starting with the large eat-in kitchen and tile backsplash, separate dining room for large family gatherings, rounded archways for that more craftsman style look and finishing with the spacious main suite. We have included a private entrance off the master bedroom leading to a concrete patio for that morning coffee. The attached 12X24 garage adds more storage to this already spacious home. A must see!
