Overview:

This home is being sold as is and buyer will be responsible for getting the township U&O. This is a 2-bedroom 1 bath home that has great potential with a little bit of love. The home is located in one of the smaller sections of Pennwood Crossing and has natural gas for heating and cooking. It is on a very nice lot and has central air, a washer and dryer, and some furniture that is being left by the seller. The stove is only a year old, the heater was replaced in 2017 and the hot water heater was replaced in 2021. The shed has a working lawnmower that will be left and also a small barbeque grill and a patio set. The living room rug will need to be replaced and there is no refrigerator. This home will not last long so contact our ABC agent today.
