Overview:

ABC Home Sales now offering true “Tiny Homes”. What the means for you is very affordable home living. With all the most modern energy saving construction methods and materials. Our tiny homes feature modern mini split HVAC to save space inside the home. This feature also quiets down the home by avoiding a furnace inside the living space. European styled appliances for more space saving. Built in areas that take advantage of every inch of space. Take control of the design and become your own builder without the elevated cost of engineers or architects. Affordable housing was never so attainable. With one bedroom homes starting under \$95,000 complete. No hidden charges. Get what you need for a comfortable lifestyle. Still have time and money to travel. Why rent when you can own and have the privacy of your own unique space. ALL our homes come complete with 12 x 20 patios, 20 x 20 parking and a 8x8 shed that will match your new home.
