Crown moldings and base trim set this home off from other manufactured homes you may have seen. The large living room is open to the kitchen and dining room allowing for great open concept living. The rear yard on this community lot is spectacular, plenty of room for a large deck and pets. We also include a 8x10 shed that matches the home.

This home is SOLD but the new owner is allowing us to show it until closing. So if you would like to have a private showing simply ask.
